

Form C: Human Subjects

Required for all research involving humans. Submission and approval by SRC required before experimentation.

Once approved by SRC, THIS FORM C is printed out and given to human subjects for approval, so they understand and can agree to participate in your study. **Print copies of this form as needed to collect signatures of individuals and bring signed forms to the Fair. Do not upload forms signed by human subjects to zFairs.**

Student Name(s) _____

Title of Project _____

To be completed by Student Researcher(s) and provided to human participants and parents for subjects under 18 years of age.

1) Describe the purpose of this study and list all the research procedures in which the subject will be involved, including for how long. **Attach any surveys or materials that will be shared with participants.**

2) Describe any potential risk or discomfort, and, if any, potential benefits (physical, psychological, social, legal or other) that may be expected by participating in this research. **Participants must be told they can stop at any time.**

3) Describe the procedures that will be used to minimize risk, to obtain informed consent, and to maintain confidentiality. Human subject names cannot be collected and shared.

Adult Sponsor for this project: _____ Email/Phone _____

**TO BE COMPLETED BY HUMAN SUBJECT AFTER APPROVAL BY SRC
(prior to experimentation)**

I have read & understand the conditions above; I consent/assent to voluntarily participate in this research study.

I realize I am free to withdraw my consent and to withdraw from this study at any time without negative consequences.

I consent to the use of visual images (photos, videos, etc.) involving my participation in this research.

TO BE COMPLETED BY PARENT/GUARDIAN (prior to experimentation and when participant is under 18 and informed consent is required)

I have read and understand the conditions and risks stated above and consent to the participation of my child.

I have reviewed a copy of any survey or questionnaire used in the research.

I consent to the use of visual images (photos, videos, etc.) involving my child in this research.
